THE PROM

July 15th, 2020.

Dear Neighbor,

I am the Location Manager for the Netflix Feature Film THE PROM, starring Meryl Streep. Since the pandemic began, televisions and film production has been halted along with so many other industries. Recent reopening plans have allowed for filming to resume for select productions that can do so safely and out of the way of the public. THE PROM is one such production.

Back in March, we were forced to shut down filming mere days away from finishing. But now we are returning to JFK High School for two days on July 24th and July 25th to complete the work. Some of you may already aware of the project as it was to film at JFK in the Spring and was prepped to do so.

All cast and crew will be parked and located on campus and will not be entering the neighborhood. Access to and from the set will be controlled and in accordance with union rules all cast and crew are tested weekly for Covid-19. We are requesting to place two BeeBee lights outside the fenced area on Woodley. Should this be approved these will be the only crew members off campus. The lights will be pointed toward the school to emulate football stadium lighting. This will involve some limited posting and a lane closure. Northbound traffic will be maintained on Woodley.

We are planning to wrap by 2 AM, but will permit to 4 AM to allow for us to quietly and safely exit the campus. Due to Covid-19 regulations we are not allowed to – nor is it safe – to go door-to-door collecting FilmLA surveys. This letter serves to notify you that we are requesting to film after 10 PM.

If you have any immediate questions or concerns, please feel free to call my assistant Kimberly Lynn at (760) 567-7291 who will be at the campus every day from now until we film and usually has the most up to date information. You may also call me directly at the number below.

Thank you for helping us be among the first to bring filming and a bit of normalcy to Los Angeles – even as annoying as filming may sometimes be. I can assure you all of our crew is anxious to get back to work and are being extra diligent not only in their Covid-19 habits, but to be good citizens. We all wish to remain back at work to not only support our families but the communities in which we film.
